---

## CAREER OBJECTIVE:

To obtain a position where I can maximize my abilities and contribute to the growth of the firm. Seeking a challenging position with a reputable organization where I can acquire new skills, broaden my knowledge, and use what I've learned.

## PROJECT EXPERIENCE:

### PROJECT 1[PRODUCTDISTRIBUTIONDATABASE] SKILLS:

- This database tracks, product for order sales, counter details and reviews, salesman details, sales city. Track all the orders placed by customers.
- Subqueries: Use the subquery in salesman, order table and operators to each tables and update, alter, group by, order by.

## RELATIONSHIP:

- **Salesman Customer Relationship:** A one-to-many relationship where one salesman can handle multiple customers, but each customer is assigned to only one salesman.
- **Customer Orders Relationship:** A one-to-many relationship where one customer can place multiple orders, but each order is linked to a single customer.
- **Salesman Orders Relationship:** Each order is associated with a specific salesman, making it easy to track which salesman generated the order.

## ADDITIONAL FUTURES:

- **Commission Calculation:** Salesman commissions can be calculated based on the order amounts, using the commission percentage stored in the Salesman table.
- **Order History:** The Orders table can provide a historical view of all transactions made by a customer. These points can help to the schema and operations for your SQL project.
- **Information table:** product, customer, salesman.name.
- **Customer Table:** customer ID, customer name, city, grade, salesman id.
- **Order table:** order no, purch amount, order date, customer ID, salesman ID.
- **Salesman table:** sales ID, names, city, commission.
- 

## TECHNICAL SKILLS:

- **SQL:** DDL, DML, Join statements, Sub queries, Analytical Functions, Stored procedure, Trigger. Group by, order by, operators, constraints

## EDUCATION:

- **MSc (Computer Science)** –Govt Arts & Science College, Arakkonam | Percentage: 71% | 2022-2024
- **BSc (Computer Science)** –Govt Arts & Science College, Arakkonam | Percentage: 75% | 2019-2022

## CERTIFICATIONS:

- I have Completed SQL Course in Besant Technologies Chennai.
- Strong problem - solving and analytical skills.
- Excellent communication and teamwork abilities
